**DATE:** November 21<sup>st</sup>, 2022 **TIME:** 4:00 PM

**TO:** Municipal Flood Coordinators, LPRCA, SWMC, Media

**FROM:** David Proracki, Water Resources Analyst

**SUBJECT:** **Flood Watch Termination (Event Message #2)**

Long Point Region Conservation Authority (LPRCA) is now terminating the Flood Watch issued on Saturday, November 19<sup>th</sup>, 2022 for the Lake Erie shoreline within LPRCA's jurisdiction.

During Saturday's event, high winds caused a minor storm surge. Lake Erie water levels did not reach the Stage 1 flood elevation for Port Dover, Port Rowan, or Port Colborne. No reports of damage and/or flooding have been received.

The standing **Shoreline Conditions Statement – Lake Erie Flood Outlook** will remain in effect until **further notice**.

LPRCA staff will continue to monitor forecasted conditions and issue flood notices as necessary.

Contact David Proracki, 519-842-4242 ext. 264, should further information be required.

**NOTE:**

**Shoreline Conditions Statement – Flood Outlook:** Early notice of the potential for Lake Erie shoreline flooding based on high ambient lake levels or weather forecasts, high wind or other conditions that could lead to a rise in Lake Erie, and shoreline flooding or erosion.
