SUBJECT: Lake Erie Shoreline Flood Watch Terminated – Flood Message #2

The Long Point Region Conservation Authority (LPRCA) is now terminating the flood watch message issued on November 29, 2022 for the Lake Erie Shoreline.

Lake levels have declined sufficiently that a flood watch message is no longer necessary.

Present forecasts are calling for strong winds out of the west on Saturday. LPRCA staff will continue to monitor conditions throughout the watershed and will update this message as necessary.

For more information, contact Paul Gagnon, 519-842-4242 ext. 232.

NOTE:

Normal means no flood conditions exist.
