### **General Notes for All Application Fees:**

1. It is strongly recommended that proponents pre-consult with LPRCA and, if necessary the municipality, prior to the submission of all applications and the preparation of detailed technical reports(s).
2. This fee schedule is effective as of January 1, 2025 and LPRCA reserves the right to revise this fee schedule at any time without notice to adequately cover the costs to provide the service.
3. All applicable taxes are extra.
4. Applications that fall under one or more categories will be charged at the highest rate.
5. The fees are assessed based on the extent of review required. LPRCA reserves the right to levy supplementary fees should the review require a substantially greater level of effort than covered by the standard categories above; this supplementary fee includes peer review of any relevant documents or information.
6. The fees for technical review include one comprehensive review, and one review of the resubmission. Second and each additional resubmission shall be subject to a resubmission fee of 20% of the original application up to a maximum of \$500. Fees must be paid at the time the application is submitted.
7. Where a Section 28 permit approval is required in addition to a Planning Act application for the same activity, the Section 28 permit fee will be **discounted 50%**.
